Subject: Label Amendment – Addition of claims against Zika virus and other minor changes
Product Name: BEN'S TICK & INSECT REPELLENT WIPES
EPA Registration Number: 56575-13
Application Date: 07/07/2016
Decision Number: 519327

Dear Ms. Moyer:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance

with FIFRA section 6. If you have any questions, you may contact Elizabeth Fertich at 703-347-8560 or via email at fertich.elizabeth@epa.gov.

Sincerely,

A handwritten signature in dark ink, reading "Meredith M. Fry". The signature is written in a cursive, flowing style.

Don't get Bitten – Get Ben's®**PRECAUTIONARY STATEMENTS*****Hazards to Humans and Domestic Animals***

Warning: Never use repellents over cuts, wounds or irritated skin. Causes substantial but temporary eye injury. Do not get in eyes. Do not apply to children's hands. Do not use on infants. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Use of product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read and follow all directions and precautions on this product label. Tear open sachet near notched end. Remove and unfold wipe (towelette), repellents should be applied only to exposed skin as directed on this label. Do not use under clothing. Use just enough of this product to cover exposed skin. Heavy application and saturation is unnecessary for effectiveness. If biting insects do not respond to a thin film of repellent, apply a bit more. Do not apply near eyes and mouth, and apply sparingly around ears. Do not allow children to handle this product, and do not apply to children's hands. When using on children, apply product to your child yourself. Instruct older children in the proper use of this product. Do not apply more than three times per day to children ages twelve (12) and under. Reapply as necessary or after swimming or showering. Apply this product second if used in conjunction with a sunscreen product. After returning indoors, wash treated skin with soap and water or bathe. This is particularly important when repellents are used repeatedly in one day or on consecutive days. Also, wash treated clothing before wearing it again. NOTE: Do not apply on or near acetate, rayon, Spandex or other synthetic fabrics (other than nylon), furniture plastics (such as eye glasses and watch crystals), leather and painted or varnished surfaces (including automobiles).

First Aid

If in Eyes	Hold eye open and rinse slowly with water for 15-20 minutes Remove contact lenses, if present, after the first 5 minutes, then continue washing eye Call a poison control center or doctor for treatment advice
If swallowed	Immediately call a poison control center or doctor for treatment advice Have a person sip a glass of water if unable to swallow Do not induce vomiting unless told to do so by a poison control center or doctor Do not give anything by mouth to an unconscious person
Have the product container or label with you when calling a poison control center or doctor or when going for treatment. For more information on this pesticide product (including health concerns, medical emergencies or pesticide incidents) you may call the National Pesticide Information Center at 1-800-858-7378. Note to physician: Probable mucosal damage may contraindicate the use of gastric lavage.	

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal. **Pesticide Storage:** Store this product in a cool dry (preferably locked) area inaccessible to children or pets and away from heat or open flame. **Disposal: nonrefillable container. Do not reuse or refill this container. Offer for recycling if available.**
